A peaceful event can shift in a minute. Such as a storm knocking out power or a protest growing overnight.

When the unexpected hits, preparation determines outcomes. Join our **live webinar on November 5th**, where we will have public safety experts providing proven strategies to:

- Improve communication and coordination during a crisis.
- Future-proof your city's emergency response.
- Build creative workflows that maximize limited resources.

Don't wait to learn these lessons *after* the fact.
